Dear Toy Library

Membership of Toy Libraries Victoria

Thank you for your enquiry into Toy Libraries Victoria. We are a voluntary organisation that provides support to toy libraries in both Victoria and interstate. We currently have 162 members who receive:

- Support with all aspects of running a toy library via a help line, an annual Recommended Toys List, the annual seminar and a quarterly newsletter – *Merry-Go-Round*;
- Opportunities for networking through workshops and the Register of Members which gives details of our member toy libraries;
- Publicity for toy libraries in general via a telephone information service, press articles, banner, displays at expos, posters to display in your locality and via our website.
- Opportunity to get insurance through Toy Libraries Victoria's Group Insurance Policy.

In order to join TLV for 2009, please provide us with your details on the enclosed form. Return it with your cheque as soon as possible. **If you require a tax invoice, please retain your original and send us a copy.**
