Everyone is welcome

We are Toy Libraries Australia.

We celebrate everyone for:

- who they are

- how they play.

Inclusion is important

Inclusion means everyone:

- can take part
- belongs.

We work hard to support everyone to play.

Inclusion makes our toy libraries better.

And it helps us build strong communities.

We value everyone who takes part in our toy libraries.

We work with others

We know it's important to:

- work with others

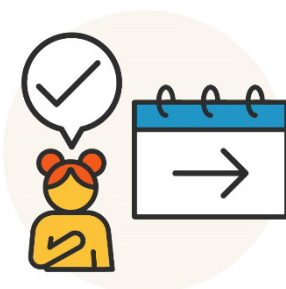

- think carefully about what we do.

We work with people who have experience with disability.

We listen to their ideas.

This helps us support our communities:

- in the ways people need
- for a long time.
