

Toy Well toy library set up

Each Toy Well location is unique and our regional coordinator works with the Hub Leader to determine the set up that is right for their Hub

Dandenong Toy Well

Toys stored in lockable cupboard in another room and brought out on toy library days

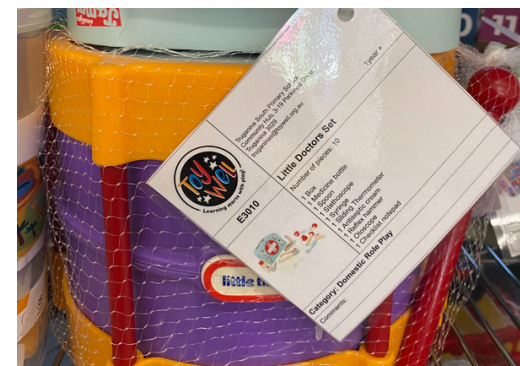

Davis Creek Toy Well

Toys stored and displayed during toy library sessions in lockable cupboards within the Hub. *Cupboards provided by Toy Well*

Truganina South Toy Well

Toys stored and displayed on mobile shelves which are moved to a locked storeroom outside of toy library sessions
Shelving units provided by Toy Well

This hub had the ideal storeroom location for the toy library. When the toy library is closed the roller door comes down
